Dads Prepare For 1500 at Holiday Fete

Halloween Party Set For Tomorrow at Marin School

Tomorrow night's Halloween party at Marin will actually put the famed Pied Piper of Hamelin to shame, promises the Dads Club of the school, sponsors of the affair.

A new and rollicking tale of a "Bazooka Bosco," whose music causes more havoc than that of the fictional troubadour, has been conceived by George Sutton, the club's scrivener. Harold Hexner is general chairman of the evening.

Always an outstanding event—last year's was seen and enjoyed by over 1500—this party will offer many other entertainment features, it is said. Starting time is given as 6:45 p. m.

PARADE OF COSTUMES

A costume parade, with prizes for the best in various classifications, will be held. Because of time, however, the parade is to be limited to Marin School students.

Everyone assembled in the school yard will have a chance to take part in the program as community singing will be included. A massed chorus of Marin pupils, directed by Miss Mildred McCann, will also offer a musical background for the fun.

Refreshments will be served during the evening.

DADS IN CAST

O. T. Stone will play the part of Bosco. Leading roles will be taken by H. Hansen, H. Grady, C. Anderson, R. Demsey, J. Coulson, J. Harris, J. K. Pettigill, A. Gerling, D. Thompson, M. Perkins and others.

In charge of lighting arrangements is J. Serex, while L. V. Foye is to handle the properties.

Merchants Beat Brauns Sunday

The Albany Merchants made it two straight wins in the Berkeley City League, as they downed Louis Griffing's Braun Mattress nine last Sunday in a 6-3 contest at San Pablo Park.

Jake Nora's men scored four runs in the fourth inning off Johnny Babich. Dick Huston tripled with two on and his companions added two more tallies. Steve Legault pitched the balance of the game for the losers.

Pitching for the Merchants was Earl Arehart. He allowed nine hits, struck out seven. Esco Burnett thrilled the fans as he stole home in the fifth.

Four Boys Join High Scout Troop

Four boys became tenderfoot scouts at the Court of Honor held by Boy Scout Troop No. 45 at the Albany High School last night. These were Duane Keller, John Hill, Jack Hunter and Gordon Woods.

Others to participate in the ceremony were Vern Johansen and Robert Inman, both of whom received the rank of second class scouts. George Rutan is scoutmaster of the troop.

Couple Greeted On Anniversary

Their 18 years of wedded life were fittingly celebrated last Monday night by Mr. and Mrs. Tony DeBiasi, popular local restaurant owners, with a banquet at their place of business.

Guests present included Mr. and Mrs. Harold Hexner, Mr. and Mrs. A. F. Lemes, Mrs. Rexford McGee, Mrs. Marguerita Morra, Miss Louis Schaefer, J. M. MacCann, Stanley Taggart, Fire Chief Carl Ahlgren, Councilman Vincent Hanahan and the couple's daughter, Miss Vincensina DeBiasi.

Police to Work Double Shifts On Week-End

"Have a good time but don't do any damage!" This was the advice given by Police Chief John Glavinovich for all who contemplate celebrating Halloween during the coming week-end.

All police officers will work double shifts tomorrow and Sunday nights, the official stated. The men will use their own cars where necessary.

Orders have been issued to arrest anyone engaged in malicious or destructive activities, although the usual pranks will be tolerated. Most of the department's trouble, in past years, has been caused by out-of-town celebrants, it was reported.

Council Has 1st Reading Of New Laws

Seeking to establish part of Pierce Street as a one-way route, to be used only by motorists leaving the East Shore Highway, the City Council held the first reading of an amendatory traffic ordinance last Monday night.

The new law will affect the street from Solano Avenue north to the highway and is designed to discourage the present practice of drivers who, traveling toward San Francisco, enter the highway in the face of oncoming traffic instead of using the Cleveland Street approach.

The body also moved passage of the new ordinance regulating house moving. Persons who now desire to move a house in or into this city must first get the council's permission. A public hearing must also be held, cost of advertising which shall be paid by the applicant. Permits will be secured from the Superintendent of Streets.

The City's "dog" ordinance was also amended at this week's meeting, to further curb the running of the animals on the streets. All canines shall be on a leash, the law now reads, and shall be in the custody of a person 10 years old or over. The licensing period is also fixed so as to include all dogs past the "weaning" age.

Permission was granted Earl Williams, owner of the Albany Auto Sales Company, to operate his establishment at 746 San Pablo Avenue.

Marin Dads Win Sixth Game, 7-6

The Marin Dads' softball team continued on its way toward another championship as it defeated the Jefferson nine last Sunday by the score of 7 to 6, at San Pablo Park.

Marin collected 11 hits. Cola Peacock and Williamson were each responsible for two hits. Johnny Coulson pitched an excellent game for the locals.

The squad has now won six games, has lost but two.

The affair will be held at the Norman Wolf Co., Inc., at 836 San Pablo Avenue, and will be directed by C. E. Morris, secretary of the local Y.M.C.A. The site and music are being donated by the Ford agency.

Entire proceeds from the dance will be used to aid the needy of Albany at Christmas, declared Dr. Paxson. The sponsoring group is made up of representatives from each organization in the City.

PROGRAM GIVEN

Two orchestras have been secured for the occasion, announces Morris. A big floor show is scheduled for 10:30 p. m. with several clever dancers and a comedy team from the Y.M.C.A. Dramatic Club.

At 11 o'clock a used car, donated by the Murphy Chevrolet Company, will be given away. A number of other awards have been offered by merchants and firms desirous of aiding the enterprise.

"Fun from the very start," has been given by Morris as the motto for the evening.

In charge of the concessions will be Mrs. Dorothy Frane, president of the Play Center Mothers Club. Tickets and finances will be supervised by Mrs. Beatrice Raymond.

The next meeting of the group will be held at 8 o'clock Wednesday night, October 3, at the Community Center Building.

L. R. Brooks Has Agency In Berkeley

The firm, formerly the James D. Campbell Company, will hereafter be known as the Brooks Motor Company.

In his formal announcement Brooks declared: "The business location and product are all that have been changed. The firm name remains the same. Some of the same faces remain and all of the same determination to have my name mean as much to you as your friendship does to me."

Already a number of his many friends in this district have visited him in his new location, Brooks said. He operated the local agency for more than seven years, recently selling out to Norman Wolf.

After the accident, it is charged, Hopper drove away from the scene only to be apprehended later by a Berkeley policeman, Officer A. L. Simmons.

More than 500 pupils are expected to attend the party, which has been made possible through the efforts of the school and the Federal Recreation Project.

In charge of the affair tonight is Supervisor Edwin S. Howell, who has agreed to act as master of ceremonies and has been rehearsing his directors in the arduous duties of cajoling the eerie performers. "We Don't Believe in Ghosts—Much" is the title of a play to be offered during the program.

Richmond Man Freed by Court

Dismissal of charges against William Marx, 29, of Richmond Annex, was recommended Tuesday morning in Police Court by F. Kennedy Jackson, deputy district attorney. His motion was complied with by Judge Louis J. Hardie.

Marx was arrested on September 23 by Officer Harry Stevenson, on a complaint signed by C. E. Morris charging him with "peeping" into the bedroom of the home at 845 Kains Avenue.

The alleged offense took place shortly after midnight. Marx was represented in court by Attorney Herbert Johnson. Lack of evidence was cited as the reason for the dismissal.

Enjoyed Vacation

After an enjoyable 10-day vacation in southern California, Mr. and Mrs. Oscar Scheik returned last week-end to their place of business on Solano Avenue. The couple visited a number of famous resorts in the South, they report.

Planning to see the U. C.-U. C. L. A. game tomorrow in Los Angeles, Gartner Thomas, local attorney, left this morning. He will visit friends in the South before returning home.

A Message to Our Readers

Beginning next week the Times will appear as an eight-page publication. This is necessary because, in the past, it has often been necessary to shorten certain important items and, frequently, to omit them entirely.

We sincerely regret the occasions when space limitations have made it imperative to do this. Happily, however, the volume of our advertising has now increased to the point where expansion is warranted.

With two more pages, the Times will be able to give more space to local news and pictures and to the activities of the various clubs and

organizations. It will also be possible to give more support to the various worthwhile movements in this, "The City of Homes."

Your past support of the advertisers appearing herein has made this move possible. They have issued their weekly advertisements to us with the assurance that these would be placed in your hands for consideration. You have answered with your patronage.

A continuation of the same splendid support for those who advertise in the future, will insure the appearance in the Times of the news, photos and features that you want.

Armistice Fete Is "Sell Out" Tells Chairman

Although the Armistice party is not scheduled until November 13, a complete "sell-out" of tables is already announced by Albany Post No. 292, American Legion.

So quickly were all available reservations taken by local members, declares Chairman James Sartain, that he is unable to comply with the many requests he is now receiving. If anyone has tickets that can not be used, he asks that they be returned.

This annual party, one of the outstanding events in veterans' circles, is to be held in the Veterans Memorial Building two weeks from tomorrow night.

Girls Write Prize Essays For C. of C.

Two 10-year-old girls, both Marin School students, were the winners of the Albany Chamber of Commerce's essay contest on "Fire Prevention," it was disclosed at a meeting of the board of directors Tuesday night.

Mary Lou Coombs, daughter of Mr. and Mrs. Charles Coombs, 1553 Marin Avenue, was awarded first place and the prize of \$10. Second award, \$2.50, was won by Katherine Knox, daughter of Mr. and Mrs. Edward Knox, 535 Santa Fe Avenue.

Checks will be presented the two girls tomorrow afternoon by A. B. Taveira, secretary, and Fire Chief Carl Ahlgren.

OVER 1300 ENTRIES

More than 1300 children of the two grammar schools entered the contest, according to Mrs. Beatrice Raymond, president of the Chamber of Commerce. The difficult task of judging this flood of essays was handled by Mrs. Charles Lyon, president of Cornell P.T.A.; Mrs. E. L. Stine, president of Marin P.T.A.; and Mrs. Minnie Lou Eakin, representing the civic group.

Honorable mention was given the following children:

Teddy Blitz, Harry Bolton, June Gilchrist, Vivian Lavers, Betty Liebersbach, Marion Meyer, Jack Serex, Anna June Struhm, Marion Thomas, Ramona Wearne, Gordon Wood and Blanche Woodward.

A highly enjoyable outing last Sunday was reported by members and guests of the San Pablo Avenue Sportsmen's club who traveled to Monterey and went out on the group's deep-sea fishing party.

Under the direction of Harvey Skee, club president, and Secretary Jack McAuliffe, a group of 22 men left early that morning by bus for the fishing grounds. At Monterey the band embarked on a small fishing boat and spent the day among the tossing waves.

Local P.O. to Be in Charge Of J. M. Casey

Albany Man Named By Postmaster F. M. Whiting

Another step toward the establishment of a classified post office in Albany was taken early this week as Postmaster Frank W. Whiting of Berkeley announced his selection of James M. Casey to have charge of the new facility.

This city's new station will serve as a base for 13 carriers, according to Casey, who lives at 807 Ramona Avenue. Mail boxes and department for stamps, domestic and foreign money orders will also be provided. Complete parcel post facilities will be offered.

Postmaster Whiting stated in his announcement that the office would be started as soon as a location could be selected.

SITE OF OFFICE

Whiting declared that the postal inspectors had not yet chosen the exact site to be used, but word from a City official is that a location on Solano Avenue near the Cornell School will probably be accepted.

This site, the local authority pointed out, will be equally handy for merchants and business people on San Pablo and Solano Avenues and is the approximate center of the City.

While the office will be a branch of the Berkeley one, all mail leaving here will bear the postmark "Albany," it is said. The two-cent rate on letters to Berkeley will continue.

VETERAN EMPLOYEE

A record of over 25 years' service in the Berkeley post office is possessed by Casey, who will serve as superintendent. He is at present superintendent of registry. He and his family have lived in Albany for over nine years. Two daughters, Anita, 16, and Patricia, 6, attend local schools.

Hope that the improved service and new facilities would be more than satisfactory, were included in the official announcement made Monday by Postmaster Whiting, who has sought for several years to have such a station established here.

Principal Glines summoned an ambulance and accompanied the youth to Humboldt Hospital where the latter was treated.

Firemen Take Up Study of Birds

Construction of an aviary by members of the Fire Department at the firehouse, is progressing rapidly, according to Chief Carl Ahlgren and Assistant Chief John Riley.

The next problem of the men will be to secure birds for the structure, it is said. Present plans call for the housing of a number of varieties.

Construction of the building has been made possible through the cooperation and generosity of the Golden Gate Stucco Company and the Hill Lumber Company, who have supplied the materials.

Miss Eres Vallo of 1003 Solano Avenue, will be one of the bridesmaids at the wedding of her cousin, Miss Rose Coppo to James Boyle. The nuptial mass will take place in Vallejo tomorrow morning.

Church Pantomime Is Termed Laugh Success

Despite the fact that "Swinging the Votes" was coached in a piecemeal fashion and not once was the entire cast able to convene at the same time for a rehearsal (or perhaps because of the fact), this pantomime staged last week at the bazaar given by the Albany Baptist Church proved so funny that members of the audience were unable to tell of it four days later without laughing.

The characters lived up to the billing of a "deaf and dumb company" for when Roy Swan, the reader, intoned, "He looked at her over his glasses," the person in question peered over a couple of tumblers. One nonsensical incident followed another and a few minutes after the curtain had gone up there wasn't a single unsmiling face in the audience.

Victor A. McKee, the pastor, enacted the role of "Spike," the gangster; and the other parts were taken by Duncan Neill, Mrs. Rhoda Hunt, Mr. and Mrs. Wallace Hill and Wallace Kirk.

Rev. and Mrs. Saywell Honored at Reception

As a musical prelude to the ceremony, Mrs. Fred Johnson sang, "Because" and "O, Promise Me."

The bride was given in marriage by an uncle, Fred Gooding, and made a stunning picture in a gown of royal blue velvet, fashioned along princess lines with a short train and trimmed with plum-colored net. Her shower bouquet was composed of orchids and bouvardia.

The matron of honor was Mrs. Merle Basset who wore a frock of plum moire taffeta with blue accessories and carried talisman roses and delphiniums.

Merle Basset was best man and the ushers were the bride's cousins, Russell Jones and Edmond Gooding.

Later a reception was given at the residence of the bride's aunt, Mrs. Lester Jones of 703 Curtis Street. The couple were married that evening at St. Clement's Church in Berkeley, with the Rev. J. Henry Thomas officiating. The bride's twin sister, Mrs. Leola Rollins, was matron of honor. She was gowned in yellow lace and carried a bouquet of yellow roses.

Cornell Group To Hear Noted S. F. Authority

Dr. Henry M. Grant, executive director of the Family Relations Center, San Francisco has been secured by the Cornell Parent-Teacher Association as the speaker for the meeting to be held in the school auditorium Thursday evening, November 4. Dr. Grant will speak on sex education and its relation to character development.

An interesting account of the work Dr. Grant is doing at the Family Relations Center is contained in an article written by Dorothy Giles in the November Cosmopolitan.

An additional feature of the meeting is to be a half hour of music by Keaton's Jubilee Singers, a Federal Music Project group of 24 Negro singers.

400 Children at School Play Day

Although Wednesday was a school holiday, due to the teachers' institute, children of Cornell School surprised their parents by going to the playground for a busy day of fun supplied by their teachers and the Recreation Department.

Through the two groups a play day was arranged, with games and other activities. WPA directors in charge of the 400 children who appeared were Alice Wanu, Margot Lochhead, Emmet Devine and Harold Kronke.

Parent Education Class

Mrs. B. E. Mallory is now conducting a parent education class on Tuesday mornings, from 9:30 to 11:30, under the sponsorship of the Cornell P. T. A. The group meets in the teachers' lunch room. A fee of 50 cents is charged for the eight lessons.

Graphically portraying the spirit of Halloween is this linoleum block cut by Vernon B. Smith of the Recreation Department. Witches, spooks, goblins and other eerie creatures popularly supposed to be abroad on Halloween will positively be present at the department's party tonight at Cornell School, asserts Supervisor Edwin Howell, in charge of the program. Musical and vaudeville numbers will be offered by a number of talented local children. The Playground Orchestra will also appear in several selections. The affair will be held in the school auditorium and is to start at 7 o'clock. More than 500 children are expected to attend.

Net Men to Meet Oakland

The school's tennis team will meet the Oakland High netmen next Tuesday on the local courts. Five singles and two doubles matches are to be played.

Using the "ladder system" of rating, the players now stand as follows: Eugene Miller, Bill Wiley, Stanton Hawkins, Bob Foley and Clayton Sandoe.

Cougars to Meet Oilers

"Richmond High, here we come," is the battle cry of the Albany High Cougars as they prepare to travel to Richmond today for their third league game this season. Last week without the services of Ray Arnold, star backfield man, the Cougars lost to the Piedmont eleven the final score being 25-0. Not to be stopped by such a small thing as one defeat the Cougars are looking for a victory over the Richmond Oilers. Richmond High is now leading the league with two wins and no defeats. Albany, Alameda, Berkeley, and Piedmont are tied for second place each with one win and one defeat. Hayward at the bottom of the league has won no games and has lost two.

Honor Students for 3 1/2 Years

Honor Roll members since 1934, Margaret Greer, Lorraine Hook, Eugene Miller, Roy Newman, and Albert Johansson were listed on the Honor Roll for the twenty-second consecutive time, last week. The Honor Roll, one of the largest ever recorded at the high school, lists approximately 125 honor students.

To be listed a student must have grades well above the average in every subject. Students not able to meet these requirements are eligible for Honorable Mention if they have one or two average

grades and the rest above average.

Those finally cast for the parts after tryouts, were Jack O'Leary as Mr. Harrington, Vincensina DeBiasi as Mrs. Harrington, Wanda Medina as Grace, their daughter; Marcella McCellan as Patricia, their other daughter (the Patsy); Erico Lenzi as Billy Caldwell, Wesley Larsen as Tony Anderson, June Marshall as Sadie Buchanan, Donald Kleinmaier as Francis Patrick O'Flaherty, and Bob Woolworth as the tough taxi driver, "Trip" Busty.

Accurate Precision Tuning for Perfect Living Tone

Local Stations Now Get the Nation's Best Programs

Is your radio three years old or more? Does it bring all the fine things that are on the air today just as if "you're there in person"? Make this test. Hear your favorite program on a 1938 High Fidelity Radio. Note the difference.

Here's why. Your local broadcasting stations have spent fortunes to send out programs with wider range and depth of tone. Voice and music go forth as living sound. But most of this is lost if YOUR radio receiving set does not bring in these programs as clear and beautiful as when they left the studio.

Let your ears be the judge. Listen to quality radio reception from a quality radio set in your own home. Improved tubes, easier and more accurate tuning and high fidelity mechanism bring you studio realism. Ask your electrical dealer for a home demonstration with a 1938 radio today.

Which
KIND OF
MOTHER
ARE YOU

Do you "fly all to pieces" when the children are noisy, or when the vegetables burn, or when the jelly won't "jell"? Some mothers are just naturally cranky. Some mothers are cross and impatient because they are nervous.

If you are a natural crank, DR. MILES NERVINE won't do much for you. If you are irritable because your nerves are overtaxed, DR. MILES NERVINE will do a lot for you.

Do you suffer from Sleeplessness, Restlessness, Nervous Irritability, Nervous Headache, or Nervous Indigestion? Do you worry over trifles, start at sudden noises? Overtaxed nerves will cause all these troubles, and DR. MILES NERVINE will help you to relax those overtaxed nerves.

Why don't you give it a trial on our guarantee of satisfaction or your money back? Your druggist can tell you about DR. MILES NERVINE. He has been selling it ever since he started clerking in a drug store. Dr. Miles Nervine comes in two forms—Liquid and Effervescent Tablets. Both equally effective in quieting overtaxed nerves. Both sell for 25¢ and \$1.00 depending on the size of the package.

DRIVER PAYS FINE OF \$50

Brought into court on a warrant for failing to answer a reckless driving charge on May 26, Melvin P. Gleason, 22, of 2236 Octavia Street, Oakland, was fined \$50 by Judge Louis J. Hardie last Wednesday night after his plea of guilty.

Gleason was arrested on that date by Officer Stanley Williams for driving in an assertedly erratic manner on San Pablo Avenue. The policeman took Gleason's auto key because the man had evidently been drinking. A short time later the same night, Gleason was arrested by Officer Harry Stevenson for being drunk. He posted \$10 bail for the latter offense. The amount was later forfeited.

A railroad employee, Gleason claimed that he had been out of town and was unable to answer the several letters and notices sent him by the local court.

His troubles did not end with payment of the latest fine, however. As he left the courtroom he was taken into custody again by Officer Williams on a charge from Berkeley of speeding. Lacking \$20 bail, he was turned over to police of that city.

Speeding 58 miles an hour on the East Shore Highway cost Walter J. Williams, 20, the sum of \$8. He lives at 4475 Emery Street, Emeryville. The arrest was made by Officer John Viarengo.
